### **Forward-Looking Statements**

This press release includes "forward-looking statements" within the meaning of the U.S. securities laws that are subject to risks and uncertainties. These forward-looking statements include information about possible or assumed future results of the Company's business, financial condition, liquidity, results of operations, plans and objectives. You can identify forward-looking statements by use of words such as "believe," "expect," "anticipate," "estimate," "plan," "continue," "intend," "should," "may" or similar expressions or other comparable terms, or by discussions of strategy, plans or intentions. Statements regarding the following subjects, among others, may be forward-looking: the return on equity; the yield on investments; the ability to borrow to finance assets; and risks associated with investing in real estate assets, including changes in business conditions and the general economy. Forward-looking statements are based on the Company's beliefs, assumptions and expectations of its future performance, taking into account all information currently available to the Company. Actual results may differ from expectations, estimates and projections and, consequently, you should not rely on these forward looking statements as predictions of future events. Forward-looking statements are subject to substantial risks and uncertainties, many of which are difficult to predict and are generally beyond the Company's control. Additional information concerning these and other risk factors are contained in the Company's most recent filings with the Securities and Exchange Commission, which are available on the Securities and Exchange Commission's website at [www.sec.gov](http://www.sec.gov).

All subsequent written and oral forward-looking statements that the Company makes, or that are attributable to the Company, are expressly qualified in their entirety by this cautionary notice. Any forward-looking statement speaks only as of the date on which it is made. Except as required by law, the Company is not obligated to, and does not intend to, update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
