Cautionary Statement Regarding Forward-Looking Information

Certain statements included in this press release, any related webcast / conference call and oral statements made by our representatives from time to time may constitute forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended and Section 21E of the Securities and Exchange Act of 1934, as amended. Forward-looking statements are subject to risks and uncertainties. These forward-looking statements include information about possible or assumed future results of our business, financial condition, liquidity, results of operations, plans and objectives. You can identify forward-looking statements by use of words such as "believe," "expect," "may," "will," "should," "project," "could," "plan," "goal," "potential," "estimate," "pro forma," "seek," "continue," "intend" or "anticipate" or the negative thereof or comparable terminology, or by discussions of strategy, plans or intentions. Statements regarding the following subjects, among others, may be forward-looking: the return on equity; yield on investments; the ability to borrow to finance assets; and risks associated with investing in real estate assets, including changes in business conditions and the general economy. Forward-looking statements are based on our beliefs, assumptions and expectations of our future performance, taking into account all information currently available to us on the date of this press release or the date on which such statements are first made. Actual results may differ from expectations, estimates and projections. You are cautioned not to place undue reliance on forward-looking statements in this press release, any related webcast / conference call and/or any oral statements made by our representatives and should consider carefully the factors described in Part I, Item 1A "Risk Factors" in our annual reports on Form 10-K for the year ended December 31, 2018 and other current and periodic filings with the Securities and Exchange Commission ("SEC"), when evaluating these forward-looking statements. Forward-looking statements are subject to substantial risks and uncertainties, many of which are difficult to predict and are generally beyond our control. Additional information concerning these and other risk factors are contained in our 2018 Form 10-K which is available on the SEC's Website at www.sec.gov. Except as required by applicable law, we disclaim any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
